A new patch for U.S. troops - *left* - closely resembles a Muslim Brotherhood / ISIS logo - *right*. It would seem that this patch does indeed symbolize U.S. submission. The only thing missing is the shahada.

Compare the three stars on the new **Operation Inherent Resolve** patch with the three stars on the Flag of the District of Columbia. Not only is it the flag of Washington (DC) but it represents the Empire of the city - which has flown in representation of Washington as military hub, London ¹ being the financial hub, and the Vatican being the spiritual hub of the Illuminatist Jesuit NWO. All three cities have their own police, their own mail system, and their own laws.

The Muslim Brotherhood (*Hizb al-Ikhwan al-Muslimun*) logo fits its motto:

"Allah is our objective. The Prophet is our leader. The Qur'an is our law. Jihad is our way. Dying in the way of Allah is our highest hope. Allahu akbar!"

On The Muslim Brotherhood

Anyone who spends minute looking into the rise of ISIS knows *that* the U.S. played a huge hand in creating them: They spend millions of dollars training and arming rebels across the region; they completely dismantled the government in Iraq and then left the country in complete shambles with an incredibly weak public regime in place; and, *of course*, the U.S. continues to mess around in the area angering people who were sickened being part of the American war dream. In fact, the U.S. government just formed an entire new command to combat ISIS called the **Combined Joint Task Force - Operation Inherent Resolve**, which is led by Army **Lieutenant General James Terry**. Its purpose is to oversee coalition and U.S. operations based overseas. Previously, U.S. Central Command had been in charge of the formation of a new task force, which has experts scratching their heads... because they just can't see why yet another task force was created! Officials of the new command refuse to say where the new operation will be headquartered - an official statement was released which indicated *that* the new command held a conference of coalition partners somewhere in southeast Asia earlier this month - and a statement that leaders from all over the world shared ideas and engaged in dialogue about their roles at the conference. You can be sure the new combined joint task force operation will be a big money maker for the same people who always profit from the military-industrial complex - just watch how much money is dumped into this new command.

That a new patch for U.S. troops closely resembles a Muslim Brotherhood / ISIS logo only goes to show who controls both! Believe it or not, American soldiers fighting against ISIS in Syria and Iraq will actually be wearing the emblem of ISIS (Islamic State of Iraq and ash-Sham *aka* Israel Secret Intelligence Service) - the infamous crossed-swords logo. It is a reflection of both the ISIS crossed swords and the symbol of the Muslim Brotherhood. Both branches riding under the same ruling class and operating on the same beliefs. It shows they fight for D.C. - not America! They fight for the Beast - through trickery - in a counterproductive Obama-led war against the notorious and shamefully exploitative Jihadist army.

The logo of the double sword for the U.S. troops known as the **Operation Inherent Resolve**, which is better known as **the fight against ISIL** (Islamic State of Iraq and the Levant), is seen fitting - as “symbolically, the double sword cuts both ways, and plays of opposite goals, and embraces conflict, which creates chaos, and begs for a savior and a solution.” The U.S. hypocrisy is becoming visible as the West builds up and unleashes terrorism upon the Middle East region in order to create chaos and escalate regime change which provides the United States with a pretext for stationing troops there.

Bashar Hafez al-Assad (Arabic: بشار حافظ الأسد) "the lion" (born 1965), President of Syria, called out the United States and other Western allies for actually promoting terrorism - and providing arms, funding, training and soldiers for ISIL and other groups. In the meantime, Putin came forward and vowed to take on ISIL and defend Assad with its own fighter jets, tanks and military equipment. The genius of this move is that if Washington does indeed coordinate its efforts to fight ISIS with Moscow, the U.S. will be fighting to stabilize the very regime it sought to oust.

While the Islamic State is using barbaric tactics to remake the Middle East closer to its own vision of a Caliphate, the United States and its allies also seek to remake the Middle East, and use the specter of terrorism to aid in regime change in Syria and elsewhere.

The Middle East is only one part of the Muslim world. Europe has become an incubator for Islamist thought and political development. Since the early 1960s, Muslim Brotherhood members and sympathizers have moved to Europe and slowly but steadily established a wide and well-organized network of mosques, charities, and Islamic organizations. Unlike Germany, he founded what has become one of Germany's three main Muslim organizations, the **Islamische Gemeinschaft Deutschland** (Islamic Society of Germany, IGD), over which he presided from 1958 to 1968. Ramadan also co-founded the **Muslim World League**, a well-funded organization which finances terrorism - the Saudi establishment uses the League to spread its radical interpretation of Islam throughout the Christian world.

The Brotherhood claims western democracy is “corrupt,” “unrealistic.” and “false.

Former Muslim Brotherhood Supreme Guide Muhammed Mahdi Akef

“It is in the nature of Islam to dominate, not to be dominated, to impose its law on all nations and to extend its power to the entire planet.”

Muslim Brotherhood founder Hassan al-Banna

The Brotherhood's goal is to turn the world into an Islamist empire. The Muslim Brotherhood, founded in Egypt in 1928, is a revolutionary fundamentalist movement to restore the caliphate and strict **Shari'a law** in Muslim lands and, ultimately, the world. Today, it has chapters in 80 countries. Egyptian ruler Gamal Abdel Nasser's regime was especially vigorous in its attempts to root out the Islamist opposition: Beginning in 1954, several members of the Muslim Brotherhood fled Egypt to escape arrest or assassination - West Germany provided a welcome refuge. More than anywhere else in Europe, the Muslim Brotherhood in Germany, which retains a place of key importance in Europe, not only because of its location at the heart of Europe, but also because it played host to the first major wave of Muslim Brotherhood immigrants and is host to the best-organized Brotherhood presence, has gained significant power and political acceptance. Islamist organizations in other European countries now consciously follow the model pioneered in Germany by the anti-White anti-Christian Zionist EU.

The **Bank al-Taqwa**, a powerful conglomerate dubbed by Italian intelligence, "Bank of the Muslim Brotherhood," has financed terrorist groups since the mid-1990s if not earlier: One of the founders, **Ghaleb Himmat**, a Syrian with Italian citizenship, helped **Youssef Nada**, one of the Muslim Brotherhood's financial masterminds, run Al-Taqwa and a web of companies headquartered in locations such as Switzerland, Liechtenstein, and the Bahamas, *which maintain few regulations on monetary origin or destination*. Both Himmat and Nada reportedly funneled large sums to groups such as Hamas and the Algerian Islamic Salvation Front and set up a secret credit line for a top associate of Osama Bin Laden. In November 2001, the US Treasury Department designated both Himmat and Nada as **terrorism financiers**.

The Brotherhood assassinated Egypt's prime minister in 1948 and attempted to assassinate President Nasser in 1954 - and, in 1981, **Anwar Sadat** was assassinated for making peace with the hated “Zionist entity.”

The Brotherhood calls for jihad against “the Muslim's real enemies, not only Israel but also the United States. Waging jihad against both of these infidels is a commandment of Allah that cannot be disregarded.”

Muslim Brotherhood Supreme Guide Muhammed Badi, Sept. 2010

The Brotherhood wants America to fall. It tells followers to be “patient” because America “is heading towards its demise.” The US is an infidel that “does not champion moral and human values and cannot lead humanity.”

Muslim Brotherhood Supreme Guide Muhammed Badi, Sept. 2010

Hamas is a “wing of the Muslim Brotherhood,” according to the Hamas Charter (Chapter 2), which calls for the murder of Jews, the “obliteration” of Israel and its replacement with an Islamist theocracy. The Brotherhood supports Hezbollah's **war against the Jews**. Brotherhood leader **Mahdi Akef** declared he was “prepared to send 10,000 jihad fighters immediately to fight at the side of Hezbollah” during Hezbollah's war against Israel in 2006.

The Brotherhood glorifies **Osama Bin Laden**. Osama is “in all certainty, a **mujahid** (heroic fighter), and I have no doubt in his sincerity in resisting the occupation, close to Allah on high.”

Former Muslim Brotherhood Supreme Guide Muhammed Mahdi Akef, Nov. 2007

Ibrahim el-Zayat, a 36-year-old of Egyptian descent and the charismatic leader of numerous student organizations, succeeded Himmat after he resigned. IGD leaders Ramadan and Himmat are among the most prominent Muslim Brotherhood members of the last half-century. The focus on *youth organizations* came after Zayat's succession. He understood the importance of focusing on the next generation of German Muslims and launched recruitment drives to get young Muslims involved in Islamic organizations. German authorities openly say he is a member of the Muslim Brotherhood and *also* link him to the **World Assembly of Muslim Youth (WAMY)**,² a Saudi nongovernmental organization that seeks to spread Wahhabism, the radical and intolerant Saudi interpretation of Islam, throughout the world with its literature and schools.

The Brotherhood “sanctioned martyrdom operations in Palestine... they do not have bombs, so they turn themselves into bombs. This is a necessity.”

Muslim Brotherhood Spiritual leader **Yusuf al-Qaradawi**, 17 Dec. 2010

Of all of Zayat's financial activities, the one that has attracted the German authorities' greatest suspicion has been his association with officials of **Milli Görüş** (National Vision, in Turkish). Milli Görüş, which has 30,000 members and perhaps another 100,000 sympathizers, claims to defend *the rights of Germany's immigrant Turkish population*, giving them a voice in the democratic political arena while “preserving their Islamic identity.” Milli Görüş pushes an agenda similar to that of the IGD, even if its target is more limited; nevertheless, both Milli Görüş and the IGD collaborate on many initiatives. But Milli Görüş has another agenda: While publicly declaring its interest in democratic debate and a willingness to see Turkish immigrants integrated into European societies, Milli Görüş leaders express *contempt for democracy and Western values*. IGD and Milli Görüş are active in their efforts to increase political influence and become the official representatives of the German Muslim community. The Bundesverfassungsschutz, Germany's domestic intelligence agency, has repeatedly warned about Milli Görüş' activities, describing the group in its annual reports as a “foreign extremist organization.”

The Brotherhood advocates violent jihad: The “change that the [Muslim] nation seeks can only be

attained through *jihad* and *sacrifice* and by raising a **Jihadi generation** that pursues death just as the enemies pursue life,” said Muslim Brotherhood Supreme Guide Muhammed Badi in a September 2010 sermon. Major terrorists came out of the Muslim Brotherhood, including Bin Laden's deputy **Ayman Muhammad Rabaie al-Zawahiri** and **Khalid Sheikh Mohammed**² (mastermind of the 9/11 attacks).

The Brotherhood uses *democracy*, but once in power it will replace democracy with fundamentalist **Shari'a law** because it is the “true democracy.” “The final, absolute message from heaven contains all the values which the secular world claims to have invented.... Islam and its values antedated the West by founding true democracy.”

Former Muslim Brotherhood Supreme Guide Muhammed Mahdi Akef, Nov. 2007

The Brotherhood's view of *women's rights* is to subjugate and segregate women: The ideal society would include “a campaign against ostentation in dress and loose behaviour... segregation of male and female students; private meetings between men and women, unless within the permitted degrees of relationship, to be counted as a crime for which both will be censured... prohibition of dancing and other such pastimes.”

Muslim Brotherhood founder Hassan al-Banna, *Five Tracts*

The Brotherhood will not treat non-Muslim minorities, such as Coptic Christians, as equals. “Allah's word will reign supreme and the infidels' word will be inferior.”

Muslim Brotherhood Supreme Guide Muhammed Badi, Sept. 2010

The Brotherhood refuses to commit to continuing the Israel-Egypt peace treaty. Muslim

Brotherhood leaders have said that “as far as the movement is concerned, Israel is a Zionist entity occupying holy Arab and Islamic lands...and we will get rid of it no matter how long it takes.”

Former Muslim Brotherhood Supreme Guide Muhammed Mahdi Akef, 2005 and 2007

The Brotherhood has anti-Semitic roots. It supported the Nazis, organized mass demonstrations against the Jews with slogans promoting ethnic cleansing like “Down with the Jews!” and “Jews get out of Egypt and Palestine!” in 1936; carried out a violent pogrom against Egypt's Jews in November 1945; and made sure that Nazi collaborator and Palestinian **Mufti al-Husseini** was granted asylum in Egypt in 1946.

The Brotherhood remains virulently anti-Semitic: “Today the Jews are not the Israelites praised by Allah, but the descendants of the Israelites who defied His word. Allah was angry with them and turned them into monkeys and pig. There is no doubt that the battle in which the Muslims overcome the Jews [will come]. In that battle the Muslims will fight the Jews and kill them.”

Muslim Brotherhood Spiritual leader Yusuf al-Qaradawi

In October 2015, Israeli prime minister, Binyamin Netanyahu, has attracted a storm of criticism for an incendiary speech in which he accused the second world war Palestinian grand mufti of Jerusalem of having suggested the genocide of the Jews to **Adolf Hitler**. Netanyahu purported to describe a meeting between **Haj Amin al-Husseini** and Hitler in November 1941.

“Hitler didn't want to exterminate the Jews at the time, he wanted to expel the Jews. And Haj Amin al-Husseini went to Hitler and said: ‘If you expel them, they'll all come here [to Palestine].’”

According to Netanyahu, Hitler then asked: “What should I do with them?” and the mufti replied: “Burn them.”

Defending his comments, Netanyahu said: “I didn't mean to absolve Hitler of responsibility, but to show that the father of the Palestinian nation wanted to destroy Jews even without occupation.”

In September 1941, again before Husseini's meeting with Hitler, **Einsatzgruppe C**, commanded by **Dr. Otto Rasch**,³ killed more than 33,000 Jews over two days in the Babi Yar ravine on the northwestern outskirts of the Ukrainian capital - Kiev, an act of mass murder ordered by the new Nazi military governor of Kiev, **Maj. Gen. Kurt Eberhardt**.⁴

the SS, who participated in the killing of Jews in Croatia and Hungary. He escaped from French detention in 1946, *however*, and continued his fight against the Jews from Cairo and later Beirut. He died in 1974.

Against the background of a possible German invasion of Palestine on 16 May 1941, the Palmach was created to establish an elite ready reserve for the **Haganah**: a Jewish paramilitary organization in *what was then* the British Mandate of Palestine from 1920 to 1948, which later became the core of the **Israel Defense Forces (IDF)**. The Palmach consisted of full time soldiers, who worked 14 days per month on kibbutzim - establishing collective communities in Israel that were traditionally based on agriculture - and trained for another 10 days. Between 1941 and 1943, there was close cooperation between the Palmach and the British, with the British using Palmach units for behind-the-lines assaults in Vichy-dominated Lebanon and Syria. By 1943, as the Axis threat receded, the British began to fear that the Palmach might become a threat to their continued rule in Palestine, and they therefore began to make unsuccessful attempts to suppress the Palmach. From late 1945 to mid-1946, the Palmach worked together with the Irgun - a Zionist paramilitary organization that operated in Mandate Palestine between 1931 and 1948 - in attempting to undermine British rule in Palestine. From 1946 until 1947, the Palmach concentrated on helping to facilitate Jewish emigration to Palestine. When the **War of Independence** began, the Palmach was the only ready standing army available to repel the Arab attack. The Palmach fought valiantly during the war, but sustained heavy casualties. At the end of the war, ✧ **David Ben-Gurion** (Hebrew: דָּוִד בֶּן-גּוּרִיּוֹן), the first Prime Minister of Israel and widely hailed as the State's main founder, dissolved the independent structure of the Palmach, and merged it into the IDF.

The **Irgun** *aka* **Etzel** was a Zionist paramilitary organization that operated in Mandate Palestine between 1931 and 1948. Irgun policy was based on what was then called **Revisionist Zionism** founded by Russian Jew ✧ Vladimir Yevgenyevich Zhabotinsky *aka* **Ze'ev Jabotinsky** (1880-1940), who advocated a "revision" of the "practical Zionism" of David Ben-Gurion and Chaim Weizmann. Revisionist Zionism was based on a vision of "political Zionism", which Jabotinsky regarded as following the legacy of ✧ **Theodor Herzl**, the founder of modern political Zionism.

indicates a dangerous misunderstanding of the Saudi relationship to German Islamists.

The trend toward consolidation took a step forward in 1994 when German Islamists realized *that* a united coalition translated into greater political relevance and influence. Nineteen organizations, including the IGD, the Islamic Center of Munich, and the Islamic Center of Aachen, created an umbrella organization, the **Zentralrat der Muslime**. According to a senior German intelligence official, at least nine out of these nineteen organizations belong to the Muslim Brotherhood

The Zentralrat president, **Nadeem Elyas**, a German-educated Saudi physician and an official of the Islamic Center of Aachen has been linked to **Christian Ganczarski**, an al-Qaeda operative currently jailed as one of the masterminds of the **2002 attack on a Tunisian synagogue**. Ganczarski, a German of Polish descent who converted to Islam, told authorities *that* al-Qaeda recruited him at the Islamic University of Medina where Elyas sent him to study. *Elyas said he could not remember meeting him but did not deny the possibility that Ganczarski, who never completed high school, might have been one of the many individuals he had sent over the years to radical schools in Saudi Arabia. Saudi donors paid all of Ganczarski's expenses. Ganczarski was not alone. Elyas admitted to having sent hundreds of German Muslims to study at one of the most radical universities in Saudi Arabia.*

Many German politicians are uninformed about Islam and do not understand that the view and the interpretation of Islam that the Zentralrat expresses, as does the IGD and Milli Görüş, is that of the Muslim Brotherhood - the problem is that the Zentralrat neither represents nor tolerates those with divergent views. With ample Saudi financing, the Muslim Brotherhood has managed to become the voice of the Muslims in Germany.

The Brotherhood advocates a deceptive strategy in democracies: appear moderate and use existing institutions to gain power.

"The civilizational-jihadist process is a kind of grand jihad in eliminating and destroying the Western civilization from within and 'sabotaging' its miserable house... so that it is eliminated and God's religion is made victorious overall other religions," reads a US Muslim Brotherhood 1991 document. It believes it can conquer Europe peacefully: "After having been expelled twice, Islam will be victorious and reconquer Europe... I am certain that this time, victory will be won not by the sword but by preaching and [Islamic] ideology."

Muslim Brotherhood Spiritual leader
Yusuf al-Qaradawi, "Fatwa," 2003

The Jewish underground resistance, the **Palmach**, had already been trained and financed by the British government, which in all other domains was an adversary of the Zionist movement - and hundreds, perhaps thousands of young Jews, would be trained in guerrilla warfare under Palmach commanders **Yigal Allon** and **Moshe Dayan**. This Israeli generation - like Jewish commando **Hannah Senesh** - belonged to a different world than that of their fathers... their image of themselves was as clear as the Summer Sun and just as uncomplicated. From the beginning, the Jews of Palestine, longed to fight the Nazis under their own flag.

The Jews saw the Nazis as their most hated enemies - and long before the Hitler government began restricting the rights of the German Jews, the leaders of *the worldwide Jewish community formally declared war on Germany* at a time when the U.S. government and even the Jewish leaders in Germany were urging caution in dealing with Adolf Hitler shortly after the NSDAP came to power. The 24 March 1933 issue of *The Daily Express of London* described how Jewish leaders, in combination with powerful international Jewish financial interests, had launched a boycott of Germany for the express purpose of crippling her already precarious economy in the hope of bringing down the new Hitler regime. It was only then that Germany struck back in response. Thus, if truth be told, it was the worldwide Jewish leadership - not the Third Reich - that effectively fired the first shot in the Second World War. Prominent New York Jewish attorney ✧ **Samuel Untermyer**, a millionaire, was one of the leading agitators in the war against Germany, describing the Jewish campaign as nothing less than a *"holy war"* - so as to understand Hitler's reaction to the *Jewish declaration of war*,⁵ it is vital to understand the critical state of the German economy at the time: In 1933, the German economy was in a shambles - some 3 million Germans were on public assistance with a total of 6 million unemployed; **hyper-inflation** had destroyed the economic vitality of the German nation; furthermore, the **Zionist anti-German propaganda** pouring out of the global press strengthened the resolve of Germany's enemies, *especially the Poles and their hawkish military high command*.

Meanwhile, the Arabs were generally supportive of the Nazis - and for the nationalist and religious leader **Grand Mufti Haj Amin al-Husseini** there was a certain logic to their allegiance.

"It was very simple to us... Germany was the enemy of our enemy... so, the enemy of our enemy is our friend."

Anwar al-Sadat (1918 - 1981)

Zentralrat der Muslime

In 1989, under the auspices of **Abdullah at-Turki**, powerful dean of Bin Saud University in Riyadh, the Saudis created the **Islamische Konzil Deutschland** (Islamic Council of Germany). Turki assumed the presidency with other top positions held by Ibrahim el-Zayat, Hasan Özdögan, a high-ranking Milli Görüş official, and Ahmad Khalifa, an officer from the Islamic Center of Munich. While an official German parliament report describes the Islamische Konzil as just "another Sunni organization," such an assumption

In 1941, Haj Amin al-Husseini fled to Germany and met with Adolf Hitler, Heinrich Himmler, Joachim Von Ribbentrop and other Nazi leaders. The Grand Mufti wanted to persuade them to extend the Nazis' anti-Jewish program to the Arab world. In 1945, Yugoslavia sought to indict the Mufti as a war criminal for his role in recruiting 20,000 Muslim volunteers for

Imprisoned leaders of the Muslim Brotherhood claimed they have incriminating evidence on President Barack Obama. One Muslim Brotherhood leader **Mohammed Khairat Saad el-Shater** alleged Obama knows full well that the fate, future interest, and

reputation of the U.S. is in his hands. Obama knows that he owns information - documents and recordings that incriminate him and when could end the country. In response, Obama sent a group of Senators and state Department officials to Egypt to meet with Muslim Brotherhood leaders. Obama ordered the group to persuade Egyptian officials into releasing the radical Islamist leaders in exchange for keeping information concealed. The Egyptian government is refusing to release the prisoners and called Obama's interference in Egypt in politics unacceptable - meanwhile, el-Shater is warning Americans about their corrupt president and said that if the U.S. government doesn't get him released from prison he'll disclose all Obama secrets: **Obama as a member of the Muslim Brotherhood.**

Conversely, **Hillary Clinton** has only one accomplishment - bombing Libya in support of a Muslim Brotherhood takeover. The Pentagon fought Hillary's illegal **Libyan War** every step of the way. Both the Secretary of Defense and the Chairman of the Joint Chiefs opposed Hillary's plan to bomb Libya. One of the Chairman's top aides said that he did not trust the reports coming out of the State Department and the CIA, then controlled by Clinton loyalist **Leon Panetta**: In January 2009, Obama nominated Panetta for the post of CIA Director - as director of the CIA, Panetta oversaw the U.S. military operation that led to Osama Bin Laden's death. [See Endnote 7.]

because the Garden will be theirs: they shall fight in the way of Allah and shall slay and be slain. It is a promise which is binding on Him in the Torah and the Gospel and the Qur'an. Who fulfilleth His covenant better than Allah? Rejoice then in your bargain that ye have made, for that is the supreme triumph."

Islam teaches that if Muslims slay or are slain (kill or are killed) in the service of God, i.e. Jihad, they are guaranteed accession to Allah's paradise of depraved sexual perversity. Islam's Paradise is filled with whorish virgins possessing voluptuous breasts and lustrous eyes. Muslims, blessed with an access to Paradise, will have 72 such virgins to engage in incessant copulation. Furthermore, a Muslim's surest way of getting a passport to Paradise is to get slain while trying to kill the kafirs. The Qur'an is no more a holy book than Playboy, Penthouse, and Hustler are holy books. Indeed, the Qur'an is worse in that it incites unrestrained murder of infidels.

2: Kill the infidels wherever you find them:

Sura 9:5
(the infamous verse of the sword inciting mass murder):

"Then, when the sacred months have passed, slay the idolaters wherever ye find them, and take them (captive), and besiege them, and prepare for them each ambush. But if they repent and establish worship and pay the poor-due, then leave their way free. Lo! Allah is Forgiving, Merciful."

Verse 9:5 teaches Muslims to commit mass-murder. The kafirs must either convert to Islam, who would keep up prayer and pay the poor-rate (*zakat*), or be murdered. Command for unconditional slaying of humans, God's own creations, by other humans - when presented as a sacred teaching of the almighty Creator - becomes a most evil teaching. Needless to say, such teachings never came from God.

3: Extortion verse:

Sura 9:29:
"Fight against such of those who have been given the Scripture as believe not in Allah nor the Last Day, and forbid not that which Allah hath forbidden by His messenger, and follow not the Religion of Truth, until they pay the tribute readily, being brought low."

Here, Allah the Islamic God commands Muslims to attack and kill the so-called "people of the book" (i.e. Jews and Christians), until they are defeated and submitted to the supremacy of Islam and, in willing humiliation, pay *jizya* (submission) tax to Muslims. Like sura 9:5, sura 9:29 is a call to mass murder and extermination. Only the Jew ☆ Stalin had openly instructed his followers to exterminate the Russians, Ukrainians and Germans so completely. When such a teaching is presented as a teaching of the Creator of the Universe, it becomes extremely evil.

4: Verse of barbaric cruelty:

Sura 5:32-33:

In order to portray Islam as a wonderful religion, Muslim taqiyah tacticians, including President Obama, will always quote the verse 5:32, which says: "We decreed for the Children of Israel that whosoever killeth a human being for other than manslaughter or corruption in the earth, it shall be as if he had killed all mankind, and whoso saveth the life of one, it shall be as if he had saved the life of all mankind."

Verse 5:32 is a teaching of mass extermination and genocide. When President Barrack Obama gave his hypocritical speech in Cairo, he quoted from Verse 5:32, saying: "whosoever killeth a human being, it shall be as if he had killed all mankind, and whoso saveth the life of one, it shall be as if he had saved the life of all mankind."

But Obama did not *actually* quote Verse 5:32 - he left out a most important part of the teaching. God has created in his infinite wisdom two exceptions to his teaching: "whosoever killeth a human being for other than manslaughter or corruption in the earth, it shall be as if he had killed all mankind." We can killeth a human being for manslaughter and corruption in the earth and it will not be the killing of all mankind. And what does the exception "corruption in the land" mean? all human beings who do not convert to Islam have declared war on Islam and Allah, are a danger to Allah, and therefore have created corruption in the land and must be murdered. All Apostates of Islam by rejecting Islam are creating corruption in the land. Muslim women who demand equality with men are creating corruption in the land. All Muslim girls who refuse to obey their fathers by adopting Western culture are creating corruption in the land. And on and on. The President quoted a teaching that justifies the mass murder of 305,000,000 Americans who are non-Muslim. This is a teaching of madness masquerading as a teaching of love. And how are the kafirs to be murdered for making "corruption in the land." Read the following Verse 5:33

Sura 5:33 says: "The only reward of those who make war upon Allah and His messenger and strive after corruption in the land will be that they will be killed or crucified, or have their hands and feet on alternate sides cut off, or will be expelled out of the land. Such will be their degradation in the world, and in the Hereafter theirs will be an awful doom;"

Teachings as contained in this verse - "they will be killed or crucified, or have their hands and feet on alternate sides cut off, or will be expelled out of the land" - are cruel and barbaric in nature. When those teachings are presented as God's, it becomes extremely evil, no better than the Zionists are committing in the Levant against the poor Palestinian peoples.

5: Allah's teaching of pedophilia:

1: Islam's paradise of evil, demented, depraved sexual perversity:

Sura 9:111:
Muslim's passport to paradise: "Lo! Allah hath bought from the believers their lives and their wealth

The 10 Most Evil Teachings In History

Following are the 10 most evil teachings in history that surprisingly are divine teachings of Islamic God Allah. Obviously, Islam's Allah was not the God whom the pre-Islamic Arabs used to worship as their God, but was the alter-ego of Muhammad. Every word of the Qur'an was Muhammad's own, which he put on the tongue of his imaginary friend Allah (*aka* Muhammad). Islam is out-and-out fraudulent.

Sura 65:4:

"And those of your women as have passed the age of monthly courses, for them the 'Iddah (prescribed divorce period), if you have doubts (about their periods), is three months, and for those who have no courses [(i.e. they are still immature) their 'Iddah (prescribed period) is three months likewise, except in case of death]. And for those who are pregnant (whether they are divorced or their husbands are dead), their 'Iddah (prescribed period) is until they deliver (their burdens) (give birth) and whosoever fears Allah and keeps his duty to Him, He will make his matter easy for him."

The most important duty of any species is the care and protection of its young. The prime duty of mankind is to raise children in a safe and caring environment, so they can progress into responsible adults. There is no worse crime than the sexual abuse and exploitation of children. But verse 65:4 clearly approves *marriages and sexual copulation with pre-pubescent little girls*, who haven't started menstruating yet. And Muhammad at the age of 50 duly complied with this sanction of Allah by marrying his niece Aisha, only 6 years old. This is an extremely evil teaching. Allah is a pedophile monster.

6: Sanctioning unrestrained slavery and rape for Muhammad by his Allah:

Sura 33:50 says:

"O Prophet! surely We have made lawful to you your wives whom you have given their dowries, and those [slaves] whom your right hand possesses out of those whom Allah has given to you as prisoners of war, and the daughters of your paternal uncles and the daughters of your paternal aunts, and the daughters of your maternal uncles and the daughters of your maternal aunts who fled with you; and a believing woman if she gave herself to the Prophet, if the Prophet desired to marry her - specially for you, not for the (rest of) believers; We know what We have ordained for them concerning their wives and those whom their right hands possess in order that no blame may attach to you; and Allah is Forgiving, Merciful".

The term "possessions of the right hand" mean slaves. It is expressly stated that Muhammad's slaves, which he attained as a share of the captives in raiding infidels communities, were actually given to him by Allah Himself. And Allah also makes raping them *halal* for Muhammad (and his Muslim followers). The verse also gives a *special privilege to Muhammad* to marry as many wives as he desires, beyond the restriction of four wives for ordinary Muslims. When God's teachings encourage a people to wage wars to capture the women for raping as well as encourages His holy prophet to engage in unrestrained marriage for sexual gratification, there can't be a teaching as evil as this in such matters.

7: Sanction of wife beating:

Sura 4:34 -

"Men are the maintainers of women because Allah has made some of them to excel others and because they spend out of their property; the good women are therefore obedient, guarding the unseen as Allah has guarded; and (as to) those on whose part you fear desertion, admonish them, and leave them alone in the sleeping-places and beat them; then if they obey you, do not seek a way against them; surely Allah is High, Great."

A Muslim woman is the property of her husband. A Muslim husband has the legal right and religious obligation to beat a wife if she disobeys him, is disloyal to him or simply does not please him. The concept of wife abuse does not exist in Islam. There is no concept of martial rape. A Muslim woman cannot refuse sex with her husband. According to Islamic law, a husband may strike his wife for any one of the following four reasons:

She does not attempt to make herself beautiful for him (i.e. "let's herself go").

She refuses to meet his sexual demands.

She leaves the house without his permission or a "legitimate reason."

She neglects her religious duties.

Any of these are also sufficient grounds for divorce. These are evil affronts to the idea of equality and dignity of women - very evil teachings, indeed.

8: Allah takes a shares of plundered booty:

Sura 8:41:

"And know that out of all the booty that ye may acquire (in war), a fifth share is assigned to Allah, - and to the Messenger, and to near relatives, orphans, the needy, and the wayfarer - if ye do believe in Allah and in the revelation We sent down to Our servant on the Day of Testing - the Day of the meeting of the two forces. For Allah hath power over all things."

This verse was revealed about how the booty captured in wars - such as after attacking and mass-slaughtering the Jews of Banu Quraiza - would be distributed. And most horribly the Islamic Allah Himself claims a share of the booty along with His prophet. God is the Creator of everything in the Universe. When that God encourages some people to attack and mass-murder others, so He Himself can take a share from the wealth plundered from those murder people - no evil can get higher than this.

9: Allah is a barbarian:

Sura 24:2 says:

"The woman and the man guilty of adultery or fornication - flog each of them with a hundred stripes: Let not compassion move you in their case, in a matter prescribed by God, if ye believe in God and the Last Day: and let a party of the Believers witness their punishment."

This verse says that Muslims must not have mercy on people, who commit adultery or fornication, and punish them brutally with 100 lashes in public. However, since other verses in the Qur'an specifically allow men to have sex slaves, the horrible crime of serial rape against a non-Muslim woman is not considered adultery or fornication and would not be punished as the woman would be considered God-given concubine. What kind of person could flog a woman 100 times for having sex with the man she loves? On the other hand, Islamic God, evil as He is, allows men to force sex upon their unwilling wives (verse 4:34). Undoubtedly the God of Islam is out and out barbaric to sanction evil teachings such as these.

10: Teachings of torture, enslavement, beheading cruelty, eye-for-eye:

There is a gigantic tie for the tenth most evil teaching. There are 3990 teachings of the Qur'an that are equally evil. All these teachings are immoral depravity. Not being words/teachings of Moral Perfection - the Qur'an is not Moral Perfection and therefore not from God, therefore Allah is not God but the Anti-God and Muhammad is no prophet. Following is a very small sample of further Qur'anic depravity:

Torture

Sura 22:19-22:
"fight and slay the Pagans, seize them, beleaguer them, and lie in wait for them in every stratagem" "for them (the unbelievers) garments of fire shall be

cut and there shall be poured over their heads boiling water whereby whatever is in their bowels and skin shall be dissolved and they will be punished with hooked iron rods"

Slavery

Sura 2.178:
"O you who believe! retaliation is prescribed for you in the matter of the slain, the free for the free, and the slave for the slave, and the female for the female, but if any remission is made to any one by his (aggrieved) brother, then prosecution (for the bloodwit) should be made according to usage, and payment should be made to him in a good manner; this is an alleviation from your Lord and a mercy; so whoever exceeds the limit after this he shall have a painful chastisement."
You kill one of my slaves, females or free man and I'll kill one of your slaves, females or free man.

Barbaric Cruelty

Sura 5:38:
"Cut off the hands of thieves, whether they are male or female, as punishment for what they have done-a deterrent from God: God is almighty and wise."

Sura 5:39
"But if anyone repents after his wrongdoing and makes amends, God will accept his repentance: God is most forgiving and merciful."

Eye for an Eye

Sura 5:45:
"And We prescribed for them therein: The life for the life, and the eye for the eye, and the nose for the nose, and the ear for the ear, and the tooth for the tooth, and for wounds retaliation. But whoso forgoeth it (in the way of charity) it shall be expiation for him. Whoso judgeth not by that which Allah hath revealed such as wrong-doers."

Beheading

Sura 8.12:
"Remember thy Lord inspired the angels (with the message): "I am with you: give firmness to the Believers: I will instill terror into the hearts of the Unbelievers: smite ye above their necks and smite all their finger-tips off them."

There are 75 teachings of beheading in Qur'an.

Slaughtering

Sura 8:67:
"It is not for any prophet to have captives until he hath made slaughter in the land. Ye desire the lure of this world and Allah desireth (for you) the Hereafter, and Allah is Mighty, Wise."
Allah insisting the Prophet to kill all the prisoners, and should not keep any surrendered prisoners alive until He (the Prophet) occupied entire Arabia. The Qur'an is a mine of most evil teachings human history has ever seen. Islam is out and out Evil in the Name of God.

The Brotherhood supports **Female Genital Mutilation**: “[the Americans] wage war on Muslim leaders, the traditions of its faith and its ideas. They even wage war against female circumcision, a practice current in 36 countries, which has been prevalent since the time of the Pharaohs.”

Former Muslim Brotherhood Supreme Guide Muhammed Mahdi Akef, 2007

Footnotes

1. Like Vatican City, London's inner city is also a privately owned corporation or city-state located right

in the middle of Greater London - it became a sovereign state in 1694, when **King William III of Orange**

privatized and turned the Bank of England over to the international Ashkenazi-mafia banksters. Today, the city-state of London is the world's financial power center - and the wealthiest square mile on the face of the earth: it houses the ✠ **Rothschild-controlled Bank of England**, Lloyds of London, the London Stock Exchange, all British banks, the branch offices 385 foreign banks, and 70 U.S. banks; it has its own courts, its own laws, its own flag, and its own police force, and is not part of Greater London or England or the British Commonwealth and pays no taxes; the city-state of London houses Fleet Street's newspaper and publishing monopolies... it is also the headquarters for worldwide English freemasonry and headquarters for the worldwide money cartel known as the Crown. Contrary to popular belief, the Crown is not the Royal Family or the British Monarch - the Crown is the private corporate city-state of London - it has a counsel of 12 members who rule the corporation under a mayor, called the Lord Mayor. The Lord Mayor and his 12-member council serves as proxies are representatives who sit in for 12 of the world's wealthiest and most powerful banking families, including: the **Rothschild** family, the **Warburg** family, the **Oppenheimer** family, and the **Schiff** family: (*The Rothschilds are "Trillionaires" worth an est. 500 Trillion; the Rockefellers are worth an est. 25 Trillion*). These families and their descendants run the Crown corporation of London. The Crown corporation holds the title to world-wide Crown land in Crown colonies like Canada, Australia, and New Zealand. British Parliament and the British Prime Minister serve as a public front for the hidden power of these ruling crown families.

As you may know, the **Federal Reserve** is not a governmental agency, but it is a private bank [i.e. Rothschilds, Warburgs etc.] that lends our government money. Our tax money is collected by the I.R.S. and sent directly to the Federal Reserve banking system. Eight families own the **Federal Reserve Corporation** with Rothschilds owning 53%, they also own the IRS Corporation, Reuters, the AP, ABC, CBS and NBC, Royal Dutch Shell, DeBeers Diamonds, Bank of England and so on and so on.

Our government is financed much in the same way as you might finance your home. The politicians spend so much money that there is no way that the taxes collected would be enough to pay for all their activities. So, they borrow money from the banking cartels, and they tell the banking cartels that they can go get the money from the citizens - the more citizens the country has, the more money is being deposited in the banks, the more money the central banks will print for each country's government - which accounts for the **tsunamigration** of foreign-born Third World subhuman scum being directed into Western Civilization - especially Muslims from Africa and the Middle East.

Our nationalism must be effaced by these ZOG tyrants, their political corporocracy, their militaristic police state, and these strangers imported into our midst who are intended to eugenically brown us out through miscegenation and replace us as a race in the inevitable world-wide Unholy Civil War which they are fostering - including the Zio-media's on-going war of propaganda waged against the naive amongst us who haply sell out our freedoms and established institutions, such as our ancestral heritage, language, demographic identity, religion, etc... promoting instead the destruction of sovereign family values, chemical drugs and perverted lifestyles through the homosexualization of our sons and the MK-Ultra sexualization of our daughters.

Our government sold us to the banking cartels as collateral many years ago. We are property used as collateral for the loans that our politicians take out

against us. We are slaves - literally. This is how and why they are talking about massive population reduction whilest flooding our nations in recession with Jihadistic Muslims - they are fostering White Genocide - to this end, **Ebola** has become a sexually transmitted disease, mandatory vaccinations pushed on us by Big Pharma are causing autism, Morgellons syndrome is becoming commonplace as more-and-more people awoken to the problems associated with the HAARP and clandestine chemtrail aerosol spraying, and euthanasia and late-term abortions programs are being introduced. Not to mention the technocrats associated with the **CERN** Large Hadron Collider (LHC) in Switzerland, who are attempting to tear holes in Space-Time into imagined *alternate dimensions* and create destructive *Stranglets*, of all things, the **Great Pacific Garbage Patch**, the **Chernobyl** and **Fukushima** disasters, and the plausibility of an EMT knocking us back into a niggerized Dark Age and threatened with massive destruction because of a limited thermonuclear and bio-chemical Third World War: Expect it - these are the same sons-of-bitches which have wreaked hell upon us since time immemorial. *Just what the hell do you think is going to happen when shelves in shopping centers and grocery stores are empty, and the water and electricity cease to flow, when gas is too expensive, poverty and homelessness is out of control, so that military law is established and tanks are in the streets and strange flying machines in the air - whilst all the while the bastards are still bringing in more-and-more refugees, immigrants and temporary foreign workers and students? not t5o mention the lack of morals or decency in our elected officials these being associated with criminal negligence, international war crimes and domestic crimes against humanity, including prostitution and slavery and the drug trade.*

member group of **Jaish-e-Mohammad (JeM) terrorists**. In 2008, ISI made serious attempts to revive Sikh militancy in India by coordinating and establishing linkages among various terrorist outfits with the Sikh extremist leaders. The ISI activities to this extent had been planned from countries like the U.S., Canada, Germany, U.K., France, Norway, and Belgium, besides Pakistan in absence of ground support in India. The various terror groups established a nexus amongst themselves in terms of financial and logistical support, sharing of information and tactical planning.

Addressing the media in Vancouver, on 10 February 2002, ISYF spokesperson **Amrit Singh Raj**, the public voice of the Sikh separatist movement in Canada, said that after the ISYF has been branded as a 'terrorist' group, its image stood tarnished and made its functioning impossible. In July 2007, the former Sikh leader was in Surrey Provincial Court to be sentenced for robbing a bank last fall, desperate for cash to feed a crack habit that sent his life spiraling downward. As a

baptized Sikh, Rai says, he never touched booze or drugs for 21 years... but all that changed in 2003, when some members of his former group began to call him a traitor, resulting in a deep depression that started his cocaine use. He lost his family, his job and his house, ending up on the streets of Vancouver's Downtown Eastside doing whatever it took to pay for more crack. He thinks his community is in denial over a drug problem that has ravaged many families and led to drug gangs and murders - and hopes to work to combat the problem if-and-when he gets out of jail.

Rai was drawn into the campaign for a separate Sikh nation called **Khalistan** after the Indian Army raided the **Golden Temple** in June 1984. Devastated at the destruction of Sikhism's holiest shrine, Rai heard a powerful speech at a Calgary Sikh temple by Babbar Khalsa leader **Talwinder Singh Parmar**, who would become the suspected mastermind of the June 1985 Air India bombing. Rai was so moved that he joined the Babbar Khalsa, committing himself to travel to India to fight for Khalistan; but within a few weeks, he met **General Jaswant Bhullar**, the leader of the **World Sikh Organization**, and joined that group; he ended up joining the **ISYF** because he believed the group would get Khalistan faster. ISYF leaders in B.C. arranged a clandestine training camp in New Westminster that began in the spring of 1985, Rai said. He traveled from Calgary with his high school buddy, **Balbir Singh Khaira**, who had also joined the group. For months, they did conditioning and paramilitary training that they planned to use in India - jumping out of vehicles going 40 kilometers an hour and even undergoing torture.

While others in the group, including Khaira, went on to India, Rai was sent back to Calgary - and to his family. He became disillusioned with the armed struggle and tried to change the ISYF into a strictly "democratic" human rights group - which led to him being labeled a traitor.

Compare the terrorist **International Sikh Youth Federation (ISYF)**, founded in the United Kingdom (UK) in 1984 after **Operation Blue Star**, conducted on 5 June 1984, to flush out Sikh terrorists from the Golden Temple complex, in Amritsar, in the Indian Punjab. **Amrik Singh Raj** and **Jasbir Singh Rode**, a nephew of **Jarnail Singh Bhinderanwale** - who fell to bullets on June 6th - founded the ISYF. Bhinderanwale, a key figure in the secessionist Khalistan movement, was killed in Operation Blue Star. Initially, the ISYF split into two factions - one owing allegiance to Jasbir Singh Rode and led by his elder brother **Lakhbir Singh Brar Rode**, also a nephew of Bhinderanwale - and the other led by **Satinderpal Singh Gill**, a former member of the second Panthic Committee. Soon thereafter, more splits occurred and several splinter groups emerged.

Lakhbir Singh Rode was a "hardcore terrorist" - among the 20 most wanted terrorists whose extradition India sought from Pakistan in the wake of the 13 December 2001 attack on India's Parliament by a five-

Conversely, **Amrit Singh**, youngest daughter of **Prime Minister Manmohan Singh**, a senior legal officer for National Security and Counterterrorism at the New York-based Open Society Justice Initiative, declared the ISYF disbanded and no longer existent in Canada. Singh's report **Globalizing Torture: CIA Secret Torture and Extraordinary Rendition**, published by the Open Society Justice Initiative, received widespread attention in the international media for its close look at the global torture network. The

report says 54 countries including Pakistan, assisted the U.S. in its war against al-Qaeda by hosting CIA prisons on their territories and detaining, interrogating and "torturing" terror suspects. The report details the involvement of the nations in the American campaign against al-Qaeda and identifies 136 people who had been held or transferred by the CIA, describing when and where they were held.

Amrit Singh was the lawyer of Saudi national terrorist **Abd al-Rahim Nashiri**, who faced terror charges in the U.S. for *allegedly* orchestrating the al-Qaeda attack on the **USS Cole** in 2000, a bombing in the Yemeni port of Aden that killed 17 sailors and wounded 37. He was a high value detainees held under ultra-secure conditions in a secret section of Guantánamo known as Camp 7.

The **Khalistan Movement** was a political Sikh nationalist movement that wanted to create an independent state for Sikh people, inside the current North-Western Republic of India - and they didn't care how many Hindoos they had to kill to do it. The Khalistan Movement originally started in the early 1940's and 50's, but the movement was most popular in the 1970s and 1980s. Jarnail Singh Bhinderanwale, who was the leader of the **Damdami Taksal**, was another important factor which led towards Operation Blue Star. Bhinderanwale had a heavy influence on the Sikh youth in Punjab during this time as the leader of the Taksal, propagating original values of Sikhism and persuading people, both young and old to follow the rules and tenets of the religion. The main motive of Operation Blue Star was to eliminate Bhinderanwale, along with other Sikh militants and regain control over the Golden Temple.

During the **Operation Blue Star**, the media in Punjab faced a blackout. Journalists were reportedly were put in a military bus and abandoned at border of Haryana. In that period, Punjab faced a curfew and there was no transportation across the state. Journalists who tried to enter Punjab were denied entry. Indian nationals, who were working for foreign media were also denied entry into Punjab. All these incidents led to heavy criticism towards the government.

Several people were killed in retaliation to Operation Blue Star: **Prime Minister Indira Gandhi** was shot dead with 33 bullets by her two Sikh bodyguards, Satwant Singh and Beant Singh. **General A.S. Vaidya**, the 13th Army chief, who supervised the operation, was shot dead in Pune after his retirement. **AI Flight 182 - supra** - from Montreal to Delhi was bombed, killing all 329 on board.

The assassination of Indira Gandhi led to the **Anti-Sikh Riots** across India: Mobs made use of iron rods, knives, and combustible material such as kerosene and petrol - and attacked Sikh neighbourhoods, brutally killing any Sikh men or women they could find; their shops and houses were destroyed and burned; in other incidents, armed mobs also stopped buses and trains, in and around Delhi, and pulled out Sikh passengers, who were doused with kerosene and burnt alive; others were dragged out from their homes and attacked with bladed weapons. Congress leaders met the local supporters to distribute money and weapons: 100 rupee notes and bottles of liquor were handed out to the mob... it is also said that Delhi police kept its 'eyes closed' during the riot as it was pre-planned. Congress party officials provided the mob with voter lists and ration lists which were used to find the location of Sikh homes and business - and without the lists, it would have been an impossible task to locate the Sikhs.

Air India Flight 182 operating on the Montreal, Canada-London, U.K.-Delhi, India route. On 23 June 1985, the Boeing 747-237B was destroyed by a bomb at an altitude of 31,000 feet (9400 m). It crashed into the Atlantic Ocean while in Irish airspace. It was the first bombing of a 747 jumbo jet. A total of 329 people were killed, including 268 Canadian citizens, 27 Britons, and 24 Indians: *The majority of the victims were Canadian citizens of Indian ancestry.* The incident was the **largest mass murder in Canadian history**. It was the deadliest terrorist attack involving an airplane until the 11 September 2001, attacks. The bombing of Air India 182 occurred at the same time as the **Narita Airport bombing**. Investigators believe *that* the two plots were linked, and that those responsible were aiming for a double bombing - however, the bomb at Narita exploded before it could be loaded onto the plane.

Canadian law enforcement determined that the main suspects in the bombing were members of the Sikh militant group **Babbar Khalsa International (BKI)**, a Khalistani terrorist organization based in India: Babbar Khalsa International has been declared to be a terrorist organization in many countries, including Canada, Germany, India, the United Kingdom, and the United States.

The attack is thought to have been a retaliation against India for Operation Blue Star, ordered by the Indian government, headed by PM Indira Gandhi, and carried out by the Indian Army to flush out several hundred Sikh militants who were amassing weapons in the **Harmandir Sahib Complex (Golden Temple)** in Amritsar and the surrounding structures. Though a handful of members were arrested and tried, **Inderjit Singh Reyat**, a Canadian national, remains the only person convicted of involvement in the bombing. Singh pleaded guilty in 2003 to manslaughter - and was sentenced to 15 years in prison for building the bombs that exploded aboard Flight 182 and at Narita.

Malaysian Airlines MH-370

With the disappearance of those on **Malaysian Airlines MH-370**, billionaire ☆ **Jacob Rothschild**, who owns the company Blackstone, which in turn owns the company Freescale Semiconductors, became the sole owner of an important semiconductor patent. Illuminati member, Rothschild, is believed to have exploited the airliner to gain full **Patent Rights of an incredible KL-03 micro-chip**: *These are the same people that sunk the Titanic (Olympic) for insurance money.* The U.S. technological company, Freescale Semiconductor, who shared its rights with Rothschild, had twenty senior members on board who had just launched a new **electronic warfare gadget for military radar system's** the day before the plane went missing. The Semiconductor company develops microprocessors, sensors, and other technology including stand-alone semiconductors that perform dedicated computing functions. The patent was all

about **military cloaking capabilities**... you know the ones that can hide flying airplanes that later on detonate over unsuspecting cities. This subterfuge was meant to prepare the public for their version of the future New World Order dictatorship, and this brazen attack on our freedom was just another preview of the psychology and mentality surrounding this Satanic New World Order agenda: First the Illuminati create Chaos - as in the 9-11 incident, then they offer the solution, i.e. the War on Terror.

The Freescale's shareholders include the Carlyle Group who's past advisors have included ex-U.S. president **George Bush Sr.** and former British Prime Minister **John Major**. Some of the companies previous clients include the construction firm owned by the family of **Osama Bin Laden**, the **Saudi Binladin Group**. Four days after the flight MH-370 disappear, semiconductor patent was approved by the U.S. patent office patent is divided in parts of 20% between five starters. One of the owners is the company itself, Freescale Semiconductor [of Austin, Texas (USA)] and four Chinese employees of the company: Peidong Wang, Zhijun Chen, Cheng and Li Ying Zhijong, all the Suzhou City: These were people with a lot of experience and technical background and they were very important people. **Patent holders** can alter the proceeds legally by passing wealth to their heirs: "However, they cannot do so until the Patent is approved... so when the plane went missing, the patent had not been approved."

Although a Freescale patent exists under number US8650327, none of the names listed actually appear on the passenger manifest released by the Malaysian authorities. Rothschild is hiding evidence to gain the rights to this semiconductor. He wants power and he wants money! It may have taken 239 deaths to do it, but to him, that's just part of population control. In the end, he gets him money, his fame, and his power - all while the world remains silent.

The German philosopher, Adam Weishaupt, educated by the Jesuits, founded the Satanic Order of the Illuminati or the Bavarian Illuminati Brotherhood in order to achieve the New World Order (NWO), on 1 May 1776.

Al-Zawahiri is a physician and the founder of the **Egyptian Islamic Jihad (EIJ)**: This organization opposes the secular Egyptian Government and seeks its overthrow through violent means. In approximately 1998, the EIJ led by al-Zawahiri merged with al-Qaeda. The CIA has called him a senior al-Qaeda leader and

the mastermind of the 9/11 attacks: The details of al-Zawahiri's brutal *interrogation* at secret CIA installations in Afghanistan and Poland, described in the report issued earlier this month by the Senate Select Committee on Intelligence, make for grim, even sickening reading: slamming him against a wall (a practice known as "walling"), depriving him of sleep (at one point for more than a week), forcing him to stand or crouch in painful positions, stripping him during questioning, and engaging in a bizarre practice called "rectal rehydration." (According to a CIA document, it was supposed to help "clear a person's head.") In Poland, the interrogators subjected Mohammed to *waterboarding*, a form of torture making a person believe he is drowning, at least 183 times - basically doing a series of near drowning exercises: The purpose of the waterboarding is to bring the victim as close as possible to death without actually killing him. During one waterboarding session, so much water was forced into Mohammed that his "abdomen was somewhat distended and he expressed water when the abdomen was pressed." The CIA subjected Mohammed to waterboarding and other "enhanced methods" for about four weeks.

Mohammed did reveal some fascinating information after the torture ended. For instance, more than a week after the waterboarding was over, Mohammed told his interrogators that he had been with Ayman al-Zawahiri, the current leader of Al Qaeda, the day before his capture. Mohammed also claimed that much of the information he had given under torture was false, and in at least several instances that turned out to be correct.

SS-Brigadeführer **Emil Otto Rasch** (7 December 1891 - 1 November 1948) was a high-ranking Nazi official in the occupied Eastern territories, commanding **Einsatzgruppe C** (northern and central Ukraine) until October 1941. After World War II, Rasch was indicted for war crimes, but the case was discontinued for medical reasons in 1948. He died in 1948 while in custody. Rasch, along with **General Kurt Eberhard** and **Paul Blobel**, organized the **Babi Yar Massacre**, which saw the murder of over 33,000 Jews.

detachment that had been left behind in the city for that purpose.

On September 26th, the Germans held a meeting at which it was decided that in retaliation for the attacks on the German-held installations, the Jews of Kiev would all be put to death. Participating in the meeting were the military governor, **Maj. Gen. Friedrich Georg Eberhardt**; the Higher SS and Police Leader at Rear Headquarters Army Group South, SS Obergruppenführer **Friedrich Jeckeln** (known to be ruthless, brutal, self-indulgent and hard - he relentlessly pursued political opponents until their death especially members of the KPD, SPD and the unions) - *infer*; the officer commanding Einsatzgruppe C, SS-Brigadeführer **Dr. Otto Rasch**; and the officer commanding Sonderkommando 4a, SS-Standartenführer **Paul Blobel**. [See Endnote 2.]

The implementation of the decision to kill all the Jews of Kiev was entrusted to Sonderkommando 4a, responsible for liquidating political and racial undesirables. This unit consisted of SD (Sicherheitsdienst; Security Service) and Sicherheitspolizei (Security Police; Sipo) men; the third company of the Special Duties Waffen-SS battalion; and a platoon of the No. 9 police battalion. The unit was reinforced by police battalions Nos. 45 and 305 and by units of the Ukrainian auxiliary police.

On September 28th, notices were posted in the city ordering the Jews to assemble the following morning, September 29th, at 8:00 a.m., for resettlement in new locations. The text had been prepared by **Propaganda Company No. 637** and the notices had been printed by the 6th Army printing press. The area had been cordoned off by a barbed-wire fence and guarded by Sonderkommando police and Waffen-SS men, as well as by Ukrainian policemen.

in charge of the Sipo and SD bureau testified that his Kiev office received so many letters from the Ukrainian population informing on Jews - "by the bushel" - that the office could not deal with them all, for lack of manpower. Evidence of betrayal of Jews by the Kiev population was also given by Jewish survivors and by the Soviet writer Anatoly Kuznetsov. But it cannot be understated that the memory of the Ukrainian **Holodomor** of 1932-33 was fresh in their minds: The rural population of Ukraine had died off at a rate of 25,000 a day, half of them children, in their home land - known worldwide as the breadbasket of Europe - which was ravaged by a Jewish-made **Shemitah** famine of unprecedented scale, whilst the Soviet Jew ☆ **Stalin** hoarded grain and sold it internationally: Cf. Gen. 41:56, 57 - When the famine had spread over the whole country, Joseph opened all the storehouses and sold grain to the Egyptians, for the famine was severe throughout Egypt. And all peoples came to Egypt to buy grain from Joseph, for the famine was grievous everywhere.

[See Endnote 3.]

Babi Yar served as a slaughterhouse for non-Jews as well, such as Gypsies and Soviet prisoners of war. According to the estimate given by the Soviet research commission on Nazi crimes, 100,000 persons were murdered at Babi Yar: Cf. The **Kaytn Forest Massacre** - a mass execution of Polish citizens ordered by Soviet authorities in 1940. Estimates of the number of those executed ranges from 16,000 to 25,000...: Polish POWs and other prisoners were murdered in Kaytn Forest, Kalinin, Kharkiv prisons and elsewhere. Those who died at Kaytn included: an admiral, two generals, 24 colonels, 79 lieutenant colonels, 258 majors, 654 captains, 17 naval captains, 3420 NCOs, seven chaplains, three landowners, a prince, 43 officials, 85 privates, and 131 refugees. Also among the dead were 20 university professors, 300 physicians, several hundred lawyers, engineers, and teachers; and more than 100 writers and journalists as well as about 200 pilots. In all, the Jewish NKVD executed almost half the Polish officer corps. The killings were methodical: After the condemned's personal information was checked, he was handcuffed and led to a cell insulated with a felt-lined door. After being taken into the cell, the victim was immediately shot in the back of the head.

Holodomor and other War Crimes of the 20th Century

The Jews were forced to hand over all the valuables in their possession, to take off all their clothes, and to advance toward the ravine edge, in groups of ten. When they reached the edge, they were gunned down by automatic fire. The shooting was done by several squads of SD and Sipo personnel, police, and Waffen-SS men of the Sonderkommando unit, the squads relieving one another every few hours. When the day ended, the bodies were covered with a thin layer of soil. According to official reports of the Einsatzgruppe, in two days of shooting (September 29th and 30th), 33,771 Jews were murdered.

In the months that followed, many more thousands of Jews were seized, taken to Babi Yar, and shot. Among the general population there were some who helped Jews go into hiding, but there were also a significant number who informed on them to the Germans and gave them up. After the war, the officer

thousands of children during Operations Cast Lead, Pillars of Defense and Protective Edge. He called for "mass expulsions among the Arabs of the occupied territories" and presided over multiple Gazan massacres.

11 -
Yigal Allon: he served in the Haganah's underground Special Night Squads which specialized in ambushes, and tortured and killed "without compunction."

Israeli Prime Ministers who were Terrorists and ISIS War Criminals

6 -
Yitzak Shamir:
he had Britain's Lord Moyne and Sweden's Count Folke Bernadotte assassinated for seeking to have Arabs treated as equals of Jews, and was also involved in the **Deir Yassin massacre** and other acts of terrorism. He was a leader of a Jewish terrorist group known as the **Stern Gang**, which carried out a string of assassinations.

12 -
Ehud Olmert:
he presided over the 2006 invasion of Lebanon, which killed 1300 people and displaced more than a million others. He included Israel as a nuclear superpower along with the US and Russia.

7 -
Ehud Barak:
a cross-dressing assassin, he participated in death squads that killed women, policemen and a Christian poet known as "The Conscience."

13 -
Moshe Sharett:
he was a staunch proponent of compulsory population transfer (ethnic cleansing).

1 -
David Ben-Gurion:
he commanded the ethnic cleansing of approximately 750,000 Arabs during the destruction of hundreds of Palestinian villages in 1948. Most of the victims were noncombatant dirt-poor farmers and their families who lived in mud huts, had no weapons, and thus couldn't resist even if they had wanted to.

8 -
Golda Meir:
she threatened to destroy the world with nukes during a BBC interview and more than once insisted that Palestinians "did not exist" as a people - and so could not return and reclaim the land stolen from the Palestinians. She also ordered Operation Wrath of God, which resulted in the civilian deaths attributed to Ehud Barak's death squad and other botched assassinations, such as the one in Lillehammer, Norway, that resulted in the death of an innocent writer.
